MEMBER AGENCY UPDATE:

- BAYHEALTH, KENT CAMPUS
 - Updating Asthma Protocols.
 - Pediatric Excellence team is picking up steam. We are increasing the amount in attendee's.
 - March: Animal Bites, April: A.I.DuPont came to our facility and did 2 simulations. Huge success, great feedback. May: Pediatric Case Studies June: Infant Radiant warmer and oxygenation.
 - Had our Smyrna yearly education, which included infant warmer and a seek and find in the Braselow cart.
- BEEBE
 - Human trafficking education in June with break outs r/t pediatrics.
 - We received approval for 2 more SANE nurses to become pediatric certified.
- A.I. DUPONT

- 1. We had a “No Notice Ebola Drill” that involved 3 health systems and the State of Delaware. Overall it was a great opportunity to evaluate our systems, and reinforce concepts and education with staff. St. Francis took extra time to show us their isopods and other large scale disaster response equipment. Nemours would like to thank the State of Delaware and all the participants for their assistance in making the drill possible.
 - 2. In light of the recent measles activity, we are providing staff with refreshers on isolation, PPE and measles presentation.
 - 3. Three Nemours staff were able to participate in FEMA training for advanced PPE at the Delaware State Fire School in April. This was a great program and we learned a lot.
 - 4. We presented a 60-minute educational lecture on the Child Vaping Epidemic to the Salem County School Nurses Association which was very well received. It would be a great presentation to share at EMSC.
 - 5. Happy Nurses Week to all of our Nursing Colleagues!
- CHRISTIANA
 - Our department will be starting callbacks for our pediatric population in May.
 - We will be increasing our patient education by developing a Pediatric education binder with education on all topics to give out to our pediatric population (i.e. water safety, seatbelt safety, helmet safety, etc).
- BAYHEALTH, SUSSEX CAMPUS
 - "Code Pink" changed to Pediatric Code Blue and Neonatal Code Blue (to keep more uniform with national standards)
 - New Pediatric Rapid Response policy in effect
 - -Updated Broselow carts: items now match what is on the Broselow Tape, all carts more uniform
